

INDEX TO VOLUME XXX

Authors, Titles, and Subjects

- Abortion, psychiatric sequelae of, 140
- ABRAHAMSON, I. A., SR., and ABRAHAMSON, I. A., JR., Dehydration—a cause of psychosis following cataract extraction (Abstract), 450
- Acute neuropsychiatric complications of chronic alcoholism, by H. G. MORGAN (Abstract), 449
- ADATTO, C. P., *see* FREEDMAN, D. A.
- ADER, R., and PLAUT, S. M., Effects of prenatal maternal handling and differential housing on offspring emotionality, plasma corticosterone levels, and susceptibility to gastric erosions, 277-286
- Adipose tissue lipase, fluorimetric assay of, 246
- Adrenal cortical-pituitary system, review of psychoendocrine research on, 576-607
- Adrenal function and alcoholism. I. Serum cortisol, by J. H. MENDELSON *et al.* (Abstract), 555-556
- Adrenal medullary system, review of psychoendocrine research on, 631-653
- Adrenocortical response
growth hormone response and, 554
personality and physique and, 350
- Aetiological factors in attempted suicide, by S. GREER *et al.* (Abstract), 141
- Aetiology of hysteria, by F. A. WHITLOCK (Abstract), 351
- Affect, verbalization, directional fractionation of autonomic responses, by J. J. CAMPOS and H. J. JOHNSON (Abstract), 139
- Affective disorders
biochemistry of, 451
See also Manic-depressive psychosis
- Agoraphobia, modified leucotomy in, 141
- Airway reactivity, influence of suggestion on, 548-549, 819-825
- Akute Psychose nach Absetzen von Ovulationshemmern (Acute psychotic episodes following discontinuation of ovulatory inhibitors), by H. MOLINSKI and W. FUCHS (Abstract), 246
- Alcoholism
chronic, neuropsychiatric complications of, 449
electrolytes and osmolality in, 463-488
serum cortisol and, 555-556
- Aldosterone responses to 72-hour avoidance sessions with monkey, 733-745
- ALEXANDRU, S., *see* NEGULICI, E.
- Allergy, psychosomatic predisposing factors in, 202-208
- Amblyopia, hysterical, retinal function studies in, 141
- Amsterdam dwarfism, 353
- Analysis of the variability of blood pressure, pulse rate, and catecholamine responsivity
in identical and fraternal twins, by A. P. SHAPIRO *et al.*, 506-520
- Androgen responses to 72-hour avoidance sessions with monkey, 710-720
- Anorexia nervosa, education treatment of patients and parents in, 246
- Anorexia nervosa illustrated by a psychotherapeutic casuistry, by F. ARNSO (Abstract), 140
- Approach to the measurement of the pain and anxiety responses of surgical patients, by F. L. DREW *et al.*, 826-836
- Arm activity, recording of, 141
- ARNSO, F., Anorexia nervosa illustrated by a psychotherapeutic casuistry (Abstract), 140
- Asthma
CNS processes in development and course of, 846-852
experimental separation from family and, 549
influence of suggestion on, 548-549, 819-825
mother-child relationship in males with, 883
psychoanalytic study on exacerbation of, 549
- Attempted suicides from intact and broken parental homes, by S. GREER and J. C. GUNN (Abstract), 141
- Atypical facial pain and depression, by R. G. LASCELLES (Abstract), 246
- Autonomic responses
operant reinforcement of, 349
verbalization and, 139
- Avoidance conditioning, *see* Conditioning—avoidance
- BAB, W., Suicide and the ophthalmologist (Abstract), 450
- BARRER, T. X., and HAHN, K. W., JR., Effects of hypnotic procedures and suggestions of deafness on a cardiac response that has been conditioned to an auditory stimulus (Abstract), 546
- BARDWICK, J. M., *see* IVEY, M. E.
- BARNARD, G. W., *see* MCCALLY, M.
- BARRON, B. A., *see* GLUCKSMAN, M. L.
- BEER, B., *see* MASON, J. W.
- Behavior patterns and visual rehabilitation after early and long-lasting blindness, by A. VALVO (Abstract), 881
- Behaviour disorders and pattern of crime among XYY males identified at a maximum security hospital, by W. H. PRICE and P. B. WHATMORE (Abstract), 353
- Beitrag zur Psychosomatik des operierten Ulcuskranken (Postoperative psychosomatic symptoms in gastric ulcer patients), by J. ZAUNER (Abstract), 349-350
- Beobachtungen an einer Mortalitätsstatistik

Pages 1-150, Jan.-Feb.; 151-254, Mar.-Apr.; 255-358, May-June; 359-462, Jul.-Aug.; 463-808, Sept.-Oct.; 809-904, Nov.-Dec.

- Lungenkranker (Observations on mortality statistics of patients with lung disease), by H. HACKL (Abstract), 349
- Bereavement, mortality of, 353
- BETTMAN, J. W., JR., STERN, E. L., WHITSELL, L. J., and GOFMAN, H. F., Cerebral dominance in developmental dyslexia (Abstract), 351
- BINSTOCK, W. A., *see* SACHAR, E. J.
- Biochemistry of affective disorders, by A. COPPEN (Abstract), 451
- BJÖRKVALL, C., *see* FRANKENHAEUSER, M.
- BLEECKER, E. R., *see* LUPARELLO, T.
- Blepharospasm, psychotherapy as major therapy in, 882-883
- Blindness, behavior and rehabilitation after long-lasting, 881-882
- BLOCK, J., Further consideration of psychosomatic predisposing factors in allergy, 202-208
- Blood-group distribution and psychiatric illness, 453
- Blood pressure
conditioning and
avoidance conditioning, 125-135
implications for psychosomatic medicine, 546-547
study of curarized rats, 489-494
variability of, in identical and fraternal twins, 506-520
- Blood pressure and avoidance conditioning: A study of 15-day trials in the rhesus monkey, by R. P. FORSYTH, 125-135
- Body image and medical illness, by J. J. SCHWAB and J. D. HARMELING, 51-61
- Body water variations in manic-depressive psychosis, by R. P. HULLIN *et al.* (Abstract), 245
- BOGDONOFF, M. D., *see* NOWLIN, J. B.
- BOLIN, R. K., WRIGHT, R. E., WILKINSON, M. N., and LINDNER, C. K., Survey of suicide among patients on home leave from a mental hospital (Abstract), 451
- Book reviews, 142-150, 249-254; 354-358, 455-462, 557-564, 884-890
- ABRAMSON, H. A. (Ed.), Use of LSD in Psychotherapy and Alcoholism, rev. by G. B. Blain, Jr., 459
- ADÁM, G., Interoception and Behavior—An Experimental Study, rev. by G. A. Taland, 358
- ANDERSON, R. S. (Ed.), Neuropsychiatry in World War II—Vol. 1: Zone of Interior, rev. by J. S. Bockoven, 885-886
- ARIETI, S. (Ed.), American Handbook of Psychiatry (vol. 3), rev. by M. W. Rhine, 147
- BECK, A. T., Depression—Clinical, Experimental, and Theoretical Aspects, rev. by L. H. Strasburger, 890
- BERNSTEIN, L., and BURRIS, B. C. (Eds.), Contribution of the Social Sciences to Psychotherapy, rev. by N. E. Waxler, 354-356
- BRACKBILL, Y., and THOMPSON, G. G., Behavior in Infancy and Early Childhood, rev. by R. Galdston, 886-887
- BREHM, J. W., A Theory of Psychological Reactance, rev. by E. G. Mishler, 887-888
- CLARIDGE, G. S., Personality and Arousal—A Psychophysiological Study of Psychiatric Disorder, rev. by W. Picnaar, 564
- COHEN, J., Psychological Time in Health and Disease, rev. by C. B. Paine, 455-456

- BUNNEY, W. E., JR., and MURPHY, D. L., *Interrelationships between total body potassium, psychological change, and adrenal corticosteroid excretion (Abstract)*, 555
- Butanol-extractable iodine responses to 72-hour avoidance sessions with monkey, 682-695
- CAMPOS, J. J., and JOHNSON, H. J., *Affect, verbalization, directional fractionation of autonomic responses (Abstract)*, 139
- Cardiac disturbances, *mother-child relationship in males with*, 883
- Cardiac rate and bottle feeding in the neonate, by P. J. BOSCHAN and A. STEINSCHNEIDER (Abstract), 547
- CARPENTER, W. T., JR., *Precipitous mental deterioration following cycloplegia with 0.2% cyclopentolate HCl (Abstract)*, 350
- Catecholamine excretion as related to cognitive and emotional reaction patterns, by M. FRANKENHAUSER *et al.*, 109-120
- Catecholamines
in identical and fraternal twins, 506-520
psychophysiology of, 551
in psychosis, 140
in 72-hour avoidance sessions with monkey, 654-665
- CASSELL, W. A., and RICHMAN, J. L., *Negatively correlated external and internal symptom clusters, 121-124*
- Central nervous system

Pages 1-150, Jan.-Feb.; 151-254, Mar.-Apr.; 255-358, May-June; 359-462, Jul.-Aug.; 463-808, Sept.-Oct.; 809-904, Nov.-Dec.

- norepinephrine and, imipramine antagonism to, 550-551
stimulus control mechanism in, 12-22
- Central serous retinopathy—consecutive development in daughter and mother, by G. M. HAIK *et al.* (Abstract), 449
- Cerebral dominance in developmental dyslexia, by J. W. BETTMAN, JR., *et al.* (Abstract), 351
- Changes in sexual behavior consequent to use of noncoital procedures of contraception, by D. A. ROGERS and F. J. ZIEGLER, 495-505
- Children
with convulsive disorders, physical effects of psychiatric interview, 238-243
psychotic, failure to detect DMPEA in urine of, 140
self-induced photogenic epilepsy in, 351
- CHRISTODORESCU, D., *see* NEGULICI, E.
- CITTERS, R. L., and WATSON, N. W., Coronary disease in spawning steelhead trout *Salmo gairdnerii* (Abstract), 451
- Classification of depression by changes in behavior and catecholamine metabolism with D-amphetamine, by J. FAWCETT *et al.* (Abstract), 550
- CLARK, B. R., *see* RUBIN, R. T.
- CODDINGTON, R. D., Study of an infant with a gastric fistula and her normal twin, 172-192
- Coffee, urinary adrenaline excretion and, 350
- Colitis
mother-child relationship in males with, 883
ulcerative, response to psychotherapy in, 255-276
- COLLINS, D. R., *see* MASON, J. W.
- Conditioned suppression by a stimulus associated with nalorphine in morphine-dependent monkeys, by S. R. GOLDBERG and C. R. SCHUSTER (Abstract), 452
- Conditioning
autonomic vs. somatic, in infants, 193-201
avoidance
aldosterone responses in, 733-745
androgen responses in, 710-720
blood pressure and, 125-135
BEI responses in, 682-695
catecholamines in, 654-665
estrogen responses in, 696-709
growth hormone response in, 760-773
insulin response in, 746-759
17-OHCS responses to, 608-630
organization of multiple endocrine responses in, 774-790
testosterone response to, 721-732
urinary volume responses in, 733-745
of blood pressure responses, 489-494
of heart rate, 837-845
of two strains of pointer dog, 882
- Conformity pressure, psychophysiological concomitants of, 298-310
- Consistent individual differences in the nutritive sucking behavior of the human newborn, by R. E. KRON *et al.*, 151-161
- Context of reported asthma during psychoanalysis, by P. H. KNAPP *et al.* (Abstract), 549
- Contraception
noncoital procedures of, changes in sexual behavior after, 494-505
oral, psychosis associated with, 881
- COPPEN, A., Biochemistry of affective disorders (Abstract), 451
- Coronary artery disease, occupational stress among attorneys and, 72-86
- Coronary disease in spawning steelhead trout *Salmo gairdnerii*, by R. L. CITTERS and N. W. WATSON (Abstract), 451
- Correlated cardiovascular adrenergic and adrenocortical responses to sensory and mental annoyances in man: A potential accessory cardiac risk factor, by W. RAAB, 809-818
- Cortical evoked response, stimulus intensity control and, 12-22
- Corticosteroid responses to the psychotherapy of reactive depressions: II. Further clinical and physiological implications, by E. J. SACHAR *et al.*, 23-44
